1. General provisions

Product catalogue of Shunting operations and Technical office services of ŽSR

Železnice Slovenskej republiky (hereinafter referred to as “ŽSR”) offers shunting operations and technical office services in its Product catalogue (hereinafter referred to as “Product Catalogue”) in terms of the Act of the National Council of the Slovak Republic no. 513/2009 Coll. on Railroads and on amendments of some acts (hereinafter referred to as “Act on Railroads”).

ŽSR in its Product Catalogue shall establish a price offer of supplementary shunting services and services of the technical office for railway undertakings (hereinafter referred to as “RU”) in compliance with Directive on provision of supplementary services of railway infrastructure managed by ŽSR.

Setting the price for the supplementary services is not covered by a „Decree of the Railway Regulatory Authority of the Slovak Republic” laying down the extent of charge regulation for the access to railway infrastructure within the scope of minimum access package and track access to service facilities.

Products and services not included in the Product Catalogue have to be arranged separately and shall be accounted separately as well.

Additional services shall be charged in compliance with the Act of the National Council of the Slovak Republic No. 18/1996 Coll. on Prices as amended by later regulations, while the volume of these services are demand driven and shall be imposed only on those railway undertakings who submit the binding order according to the Directive on provision of supplementary services of railway infrastructure managed by ŽSR.

2. Billing arrangements for shunting operations and technical office services

In support of the rail transport outputs carried out by RU, the ŽSR shall provide additional services, which comprises provision of shunting services and services of the technical office. Prices listed in paragraph 3 shall correspond to staff deployment during standard working hours. ŽSR shall be entitled to arrange and invoice individually the charges for supplementary services carried out beyond standard working hours and services not included in the price list.

Prices do not include VAT. The VAT shall be invoiced in accordance with applicable laws.
